Dear Nigel

RAF COTTESMORE FAMILIES DAY

I am writing to thank you for supporting our Families Day on Friday 27th July. The fine weather (albeit with some wind "to lean on") and the fine display of aerobatics offered by yourself and the other participants made for a very successful day. It was particularly good to have a large and graceful aeroplane, towed by a radial engine, as part of the line-up.

Thank you for your support and I wish you the best of luck for the remainder of the season.

*Kind regards,
Adrian*
